Background

In March 2016, the Abbots Bromley Parish Neighbourhood Development Plan Working Group prepared a questionnaire to seek the views of parishioners with regards to the development of the Parish. Five questions were posed. The questionnaire was circulated with the Parish newsletter to each household. Parishioners were invited to complete the questionnaire and return it via the Village Shop (Top Shop), Wilson's Butchers, On the Green and local public houses. Parishioners had four weeks in which to respond.

Group members Mr Stuart Appleby and Mr Tom Wheeldon were tasked with summarising the responses received, in order for the Working Group to give full consideration to the parishioners' views.

Response rate of 13%

750 households received a questionnaire and 96 responses were received.
