Bromley Bulletin

Update From the Neighbourhood Planning Group

The Neighbourhood Development Plan work is progressing and we are moving towards the draft plan consultation stage. We are working hard to get to that point so that the community can see in full the proposals that we put forward and can comment on them. You may be aware that we have had to adjust the project timetable a bit as this task is taking longer than was originally anticipated as we've had to allow time to schedule meetings with other groups and organisations. By doing so we hope to be able to provide all of the information that we possibly can so that you can provide us with detailed thoughts and comments through the consultation.

You can find the revised timetable on the website (link below). For those not on the internet a printed copy will be added to the Neighbourhood Plan notice board (the cabinet next to the Buttercross) for information shortly.

We are currently seeking a meeting with Abbots Bromley School with regards to their intentions for the Anglesey/equestrian centre site off Radmore Lane. As you may be aware the school are running the equestrian facility through "AB Equine" at the current time but as far as we know they remain committed to develop the area for some housing over the longer term.

In September members of the Neighbourhood Plan group ran and supported the Abbots Bromley Sports Association reservoir 10K. Whilst by no means world beating in our running times we all managed to complete the race and it was a pleasure to support the community in this way.

We will update again when we know more but stay up to date by visiting the website and by keeping an eye on the notice boards. When the draft plan is ready for consultation we will ensure that we let everyone across the Parish know via a range of different methods as we will seek as much feedback as possible. - ◆ 29th November
- ◆ 31st January

PC Surgery

10-11am Saturdays in Church House

- ◆ 25th November

Parish Council News

There is currently a vacancy for a Parish Councillor to join the Council. If you live or work within the Parish and are interested in serving the community as a councillor then please get in touch with the Clerk to the Council. A new councillor will be co-opted at the Parish Council meeting on 29th November. For more details call Sarah Meads on 01283 840891 or email

Parish Council Newsletter November 2017 – Issue No 64

ABBOTS BROMLEY 10K AND JUNIOR FUN RUN

Saturday 23rd September saw the third hosting of the Abbots Bromley 10k and Junior Fun Run around the banks of Blithfield Reservoir thanks to permissions granted by South Staffordshire Water and the support and co-operation of Blithfield Sailing Club.

As in previous years, runners came from far and wide to with a host of running clubs taking part. Local clubs included representation from Uttoxeter Road Runners, Stafford Harriers, Fradley Ladies, Wrekin Road Runners and Run and Ride to mention but a few. We even had East Staffs. Borough Councillor running in the athletic form of Greg Hall !

The 10k field of 153 was closely followed by 35 Fun Runners who approached their 2.5k route with speed and style along with a whole host of laughs – definitely 10k stars of the future ! Abbots Bromley had a good representation in all categories of runners too.

The Ladies results showed Annabel Roberts winning in a swift 42:43 at the head of a strong field of 68 female runners, Ryan Friel came home first in the men's category with a time of 38:02. Conditions underfoot were wet due to the recent rainy end to the summer so these times were impressive.

We were supported this year by the enthusiastic pupils from the Abbots Bromley School who provided hot food on the day and 'star pupil' Hannah, who truly made the 'Go Ape' monkey suit come to life!

We are hugely grateful to our helpers, marshals, timekeepers and public address man Peter Livesey. Our main sponsors on the day were John German (Lichfield), A S D Contracts, Tesco Uttoxeter, Go Ape Cannock Chase, Cash Stores -Abbots Bromley, Bookers Burton and Forkers (Civil & Ground Engineering).

All of these people, both helpers and sponsors made this a successful and enjoyable event and raised a grand total of £2,600 towards the next phase of the Abbots Bromley Sports Association development ; our thanks go to them all.

HS2 – update November 2017

The High Speed Rail (West Midlands to Crewe) Hybrid Bill (Fradley to Crewe) had its first reading in Parliament on 17/07/17. The second reading of this bill has yet to be announced. Royal Assent is anticipated to be given in 2019. This would enable construction to start in 2020, with testing etc to take place in 2026, and the line opening in 2027.

The line opening has been brought forward by 6 years, from 2033.

Although the construction working day is still from 8:30 a.m. to 5:30 p.m (plus allowed travelling time), excluding Saturday afternoons and Sundays, so many caveats have now been added that it is possible we may experience 24/7 working.

Because we are more than 1.5 km from the line, HS2 have confirmed that neither the residents of our village, or the Parish Council, will automatically be included in any relevant correspondence re this project. But we will endeavour, despite the efforts of HS2, to keep you informed of any relevant developments.

Notice from St Nicholas Church

The ABPCC would ask if any flowers left for the Remembrance season could be removed from graves before Christmas.

Similarly, it would be much appreciated if any Christmas flowers and wreaths were removed after about 6 weeks - (as nothing looks more sad than old, worn out Christmas flowers in the run up to Lent and Easter).

The above would be a great help with trying to keep the Church Yard tidy. If you have some spare time next year and would like to volunteer to help with tidying the Church Yard then please do get in touch with the Churchwardens.
