[Abbots Bromley Parish Neighbourhood Development Plan Logo]
A Neighbourhood what?!  

- A Neighbourhood Plan is a new way of helping local communities to influence the development of the area in which they live and work.

- Introduced through the Localism Act 2011.

- A new legal power for local people to make a land-use Plan for their neighbourhood, through a local 'qualifying body'.

- In Abbots Bromley the ‘Qualifying Body’ to do this is the Parish Council.
Neighbourhood Planning

What is it?

“Neighbourhood planning is a new way for communities to decide the future of the places where they live and work. They will be able to:
choose where they want new homes, shops and offices to be built have their say on what those new buildings should look like and what infrastructure should be provided
(DCLG, Neighbourhood Planning – 2012)

“Neighbourhood Planning is designed to provide a powerful set of tools to ensure you get the right type of development in the right place for your community.
Local Residents and businesses are now in a position to make planning policies that reflect your priorities, deliver tangible local benefits and have real weight in the planning system”
(Locality – 2014)
Neighbourhood Planning

- Since 2011 over 2000 areas have been designated with 200 plus Referenda.

- In East Staffordshire (as of November 2016) there are 17 designated Neighbourhood Areas, with 11 having gone to Referendum and now ‘made’

- Nearly 88,000 (77%) people in the borough live in a Neighbourhood Area.
- So far the average YES vote is 91%
- Average turnout 28%

- Average General Election turnout approx 60%
- Police and Crime Commissioner election turnout approx 20%
- Local Government Election turnout approx 30%
Why does it matter?

- We have a local plan, a village design statement and a conservation area appraisal already so what’s the point?

When 'Made' a Neighbourhood Plan becomes part of the local statutory development plan and must be taken into account by the Local Planning Authority when making planning decisions [TCPA 1990 S.70(1) (2), P&CPA 2004 S.38(1)(2c)(3)]

Therefore, Neighbourhood Planning gives local communities a direct say in decisions that affect them

If we don’t produce a Neighbourhood Plan, the future of where we live will continue to be decided elsewhere.
Important limits

• Neighbourhood Plans cannot be used to stop growth!

• The intention is to enable growth in sustainable ways.

• Must pass the ‘Basic Conditions’, it MUST:
  – Have appropriate regard to (all relevant) national policy
  – Be in general conformity with strategic elements of the East Staffordshire Local Plan
  – Be compatible with EU obligations
  – Contribute toward sustainable development
Why does it matter cont...

East Staffordshire Parishes
Should we have started sooner?
Parish Council Role

– The Parish Council has formal power and responsibility for preparation, it is the ‘qualifying body’ and therefore the accountable body
– Leads the Neighbourhood Plan supported by the steering group
– Must involve and engage the community
– Decision making – to approve budget, approve draft plan etc
– Liaise with other bodies
– Actively deliver (seeking funding, working with partners etc)
Initial issues consultation Jan-Mar 2016

- The first consultation sought to engage the community on a number of broad issues to help the group gauge what is important to residents and businesses, what people like or potentially dislike and would like to see change. Five questions in total were asked

**WHO WAS CONSULTED**

- A questionnaire was posted to every household and business across the Parish as part of the Parish Newsletter. This totalled approximately 750 questionnaires sent. The newsletter had within it an article that set out the basis for the consultation and relevant background detail.

**HOW THE RESULTS WERE GATHERED**

- Three posting “buckets” were placed at businesses within the village. Those businesses also held a number of spare questionnaires in case extras were needed. An electronic copy of the questionnaire was also provided on the website so that it could be returned via e-mail. Reminders during the consultation period were posted using all the methods previously described.

**THE RESULTS**

- Of the 750 questionnaires posted 96 were filled out and returned representing 13% return rate
Main Issues

Traffic and parking

Housing
What has been done?

Made contact and received some background evidence from Staffordshire County Council Highways

Brought forward a local housing needs assessment (HNA) to explore the housing issue more closely
Meetings

Discussions and meeting have been held with

» Village groups
» The Bagot Arms
» Coach and Horses
» Goats Head
» Abbots Bromley School
» The Richard Clarke First School
» Freedom Brewery
» Abbots Bromley Sports Association
» On the Green
» Wilsons Butchers
» Top Shop
Housing Needs Assessment

**Housing Needs Survey – September 2016**

The Abbots Bromley Parish Neighbourhood Development Plan Working Group is carrying out a local housing needs survey to build on what you told us in our first consultation. It is clear that housing and the future provision of housing is important to the community and therefore we need to understand more about this to inform the plan making process. Local housing need is about getting to grips with what we are as a Parish wish to see in terms of provision and therefore it is very important that we receive as many of these surveys back as possible. It has been devised to be as simple and quick to complete as possible. We appreciate you taking the time to help us. Full details about how to return the form can be found at the end. If you wish to find out more about Neighbourhood Plans and housing need then please visit the first below, or come and find us on the Neighbourhood Plan stall on the Village Green on June 24th (Sun).

Thank you.

Horn Dance Day

The stall was open from 8:30 – 18:30

Large number of people visited and spoke to us

A number of surveys were returned on the day
Housing Needs Assessment Results

The survey covered a wide range of issues including questions about:

• Current housing circumstances
• Type of House
• Employment of homeowner
• Length of time living in the Parish
• Whether house building in the Parish would be supported to meet local need

In total 145 questionnaires were completed and returned within the consultation timeframe. This represents an approximate 15% return rate.
Q1. Type of current housing

- Semi detached: 93
- Flat: 3
- Terraced (including end terrace): 21
- Detached: 11
- Bungalow: 13
- Mobile home (permanently sited): 3
- Other: 0
Q3. Number of bedrooms

- 1 bedroom: 55
- 2 bedrooms: 16
- 3 bedrooms: 2
- 4 bedrooms: 2
- 5 bedrooms: 12
- 6 or more bedrooms: 3

Abbots Bromley Parish Neighbourhood Development Plan
Q.18 Would you support building a small number of homes in the Parish if they would help to meet the needs of local people?
Q.20 How many vehicles do you have in your household?
Q.20 cont..
If purchasing a new home in the Parish how many car parking spaces would you wish to be provided?
Support for local housing

- Yes: 131
- No: 13
Housing Needs Assessment

Site assessment choices that could be considered:

Strategic Housing Land Availability Assessment (SHLAA)

Site owner approaching the NDP group to be considered

Call for sites
Site Assessment Criteria

- Provision of / Supports existing local business / organisation
- Provision of additional off road parking
- Provision of safe vehicle access / egress
- Opportunity to re-use land with redundant use (brownfield)
- Provides public open space (park etc.)
- Improves / protects the character of the village.
- Has effective/safe pedestrian links to village centre/ services
- Respect the scale and pattern of existing development
- Consideration of any potential impact on nature conservation
- Consideration of flood risk and connection to other services
Task!
Thank you for listening. Any questions?
